

Hello Region 6!

I am back to write you monthly news letters. I am so glad Merry Garrett took the position as RC.

During our April meeting, a couple of events were announced.

June 7th-9th, is the 42 Annual State Field Meet. It will be held at the Sturgeon Valley Campgrounds. Located at: 15247 Trow-bridge Road Wolverine, MI 49799.

Merry Garrett is adding a new class to our bike show. Anything with wheels. Crazy silly, old, new, small, large, beautiful or ugly. Let's see who can come up with something awesome! And yes, she wants Region 6 to win, win, win, this class!

July 13th, will be the Membership Drive and Memorial Run. We will have a horse shoe tournament event that day as well. We will be meeting at the Roadside Bar at 10am -12pm to sign up for the Memorial Run. Bikes must be back by 5pm. A dinner will be served after the run. Then it will be time to throw those horse shoes!

August 2nd-4th, is Gail and Ralph Shiffer's camp out, located at: 1695 Bard Road Gladwin, MI 48624. There will be a ride Saturday and they do plan on making Terry and Connie Bruce's Pig Roast as one of our stops.

The flier that was submitted for Gail and Ralph's camping weekend states they are located on Barn Road which is incorrect, they are on Bard Road. (Hopefully no one looks for Barn Road and gets lost.)

It sounds as though summer will be filled with lots of friends and fun. Come and enjoy the fun!
