Commodore's Report

Hello fellow club members!

This will be my last Anchorline report. I would like to thank my fellow officers, board members and members that filled the volunteer positions. Without these people supporting the club, we, the members, would not be able to enjoy the club functions. Finally, I would like to thank all the members that attend these functions. By attending you support the club and I, for one, enjoy the comradery of the club.

This is a season of many changes such as the weather, the trees and the club's officers and board members. October meeting will be voting in the new officers and board members. At this point in time we do not have a Rear Commodore that sets up the cruises for the club in 2018. If no one volunteers for this position, this does put a strain on the remaining two officers to fill that void.

Commodore's Ball is this November 4th on a Saturday at QCYC. This was the location for last year's ball. **PLEASE RSVP as soon as possible to get a accurate headcount to order the dinner. You can email at Lobdell20@aol.com or call at my home phone # 206-935-0413.** Thank you.

We are heading into our holiday season, with a Halloween cruise to Bell Harbor, Thanksgiving cruise, also to Bell Harbor and our Christmas meeting that has Santa Claus paying a visit. Enjoyable times coming ahead.

I would like to say thank you to every member and I am proud to be your Commodore for 2017.

Thank you,
WSYC Commodore
Don Lobdell

Vice Commodore's Report

Hello fellow members.

Hope to see you all at the upcoming WSYC meeting next Friday, October 20th. It's going to be a potluck dinner and I hope to see a good turnout. Social hour starts at 6 pm, dinner at 7, meeting to follow.

We are looking for Rear Commodore for 2018. Please think about stepping up and taking on this position. The club always has a great time cruising and we need the Rear's planning expertise. Also, please think about whether you would like to host the November dinner.

Looking forward to seeing everyone next week. The phone tree will be reaching out to remind you.

Mike LeSieur
Vice Commodore
