Monday

Adventurers: Mr. Palmgren

Role Play as a famous adventurer seeking clues and mystical items while battling evil villains to save the world! Gain and use knowledge of mythology, history, and geography to outwit opponents, solve ancient puzzles, avoid dangerous traps and acquire fantastic powers! The fate of the universe is in your hands!

Where: Room 156

Current Events: Mr. Terenzi

Come discuss the week's headlines! As a former journalist look to find the journalistic angles to news coverage. We will use the NY Times and other online news outlets to guide out discussions. An educated electorate is the key to the future and that's what our aim will be! *Where: Room S-01*

Girl Talk: Ms. Navas

Who run the world? G I R L S.

A group dedicated for girls supporting girls. As a group, we will discuss everyday topics (families, relationships, our bodies, aspirations), while also empowering and inspiring each other. *Where: Room 166*

NJ Junior Thespians: Ms. O'Sullivan

Did you know that the word "thespian" originates from ancient Greece when the first actor, Thespis, was the first person to perform an individual acting piece? Before Thespis, performances only happened through group recitation. We will experiment with improvisation, monologues and scenes. Through our sessions together we will explore a piece to audition in hopes of performing at NJ Thes Fest, which is an annual theater festival held at Toms River HS in May. We need both performers and directors! *Where: Room 130*

Wednesday

MMS Fitness: Mr. Mantes

With constantly varied, high intensity functional movements, MMS Fitness will coach students of all shapes and sizes to improve their physical well-being to prepare them for 5Ks and OCRs (Obstacle Course Races).

Where: Room 279

Chalk Writing and Calligraphy: Mrs. Johnson

Do you have a love for quotes and inspirational messages? Do you rejoice in writing in different fonts? Experience lettering as an art form and join the Calligraphy Club! Each week we'll practice writing inspirational messages in a new font to create inspirational posters. Please see Mrs. Johnson in Room 142! *Where: Room 142*

Spectrum Club: Ms. Vorona

Students can meet to discuss issues relevant to and in support of students and their families who self-identify as straight, gay, lesbian, bisexual, transgender, or are questioning these issues. And as always, we have snacks!

Where: Room 287

Knitting Club: Ms. Silva

Do you have a yearning for yarn? Learn all the basics about knitting and crocheting in this class. We will go over basic techniques and before you know it your will be creating your own scarf or other items to keep yourself warm this winter! Come join Ms. Silva in room 278 to learn these crafty techniques.

Where: Room 278

Chess Club: Ms. Laing

Come learn about strategy and practice your skills. Students of all levels are welcome, from novice to expert! Challenge Ms. Laing or strike up a game with each other. Grandmasters welcome! *Where: Room 281*

Thursday

Stay Late and Create: Ms. Reisman

If you love art and being creative, trying new materials, and meeting new people, then Stay Late and Create is the perfect fit! Bring a smock and a snack, and meet for an hour of art, craft, design, and fun. There is a one-time \$5.00 supply fee for the 6-week session. **This club is limited to 30 slots! Sign up early to reserve your spot!**

Where: Room 296

Real Talk Club/SOS: Mr. Stoudemire

Learn How to navigate this world. Empowering Students to be effective leaders through conversations, decision-making, and modeling behavior. S.O.S, aka: Save Our Students, is the acronym that will be our guiding light. The 8 keys of excellence will also be a staple for our group talks. R.O.A.R- Respect Others and Act Responsibly.

Where: Room 285B

Beading Club Ms. Vorona/Ms. Silva

Come join us to experiment with a variety of beading crafts. We can make jewelry, key chains, friendship pins and other creative cool designs with our unique beads. The ideas and designs are limitless. We look forward to working with you to create different items that are personalized to your style and taste.

Where: Room 287

Environmental Science: Mr. Terenzi

With a focus on climate change and the Maplewood community, we will work on developing a science website where we will videotape our labs and demonstrations and create a website for students to use for tutorials!

Where: Room S-01
