WHO WE ARE

Talantage, LLC is a 'Certified Minority and Woman-Owned Small Business that provides effective, results-driven talent acquisition solutions to build brilliant workforces. We partner with clients to identify high-impact top performers, innovators and game changers. Our team of consultants and business professionals have over 50 years of combined experience providing companies with innovative workforce solutions to help them increase agility, improve productivity and the bottom line. We offer temporary, contract, and direct hire placement options.

CORE COMPETENCIES

- General Administrative Staffing
- Healthcare Staffing
- Light Industrial Staffing
- Professional Services Staffing
- Construction Staffing

DIFFERENTIATORS

- Effective recruitment process that includes a variation of diversity, inclusiveness, compliance, skill and quality.
- Implement technologies and best practices to improve effectiveness such as centralizing data to include applicant tracking, time & attendance, pre-employment, communication, analytics and reporting.
- Intelligence assessment and aptitude testing predictive performance measures to exceed service level expectations.
- Experienced consultants with leadership capabilities to successfully guide, manage, and support high-visibility initiatives.
- Robust talent pipeline approach that builds a steady stream of quality and skilled candidates.
- Diligently manage and track temporary staffing expenditures and reduce transactional complexity.
