UKRAINE CRISIS

HOW CAN YOUNG PEOPLE SUPPORT?

The emergency in Ukraine is all over the news, but what can you do to help?

UNHCR, the UN Refugee Agency, has created a crowdfunding page to support people forced to flee Ukraine. As one of our Young Champions, we're calling on you to mobilize your school or community!

WHY DOES IT MATTER?

4 million people are expected to need assistance in neighboring countries, and 12 million within Ukraine. Refugees urgently need shelter, protection, mental health support and sanitation services. Donations will go directly to UNHCR operations.

WHAT UNHCR IS DOING

UNHCR field staff are working hard to continue delivering assistance in Ukraine, as well as at border points with Poland, Hungary, Romania, and Moldova. We provide shelter, legal services, food, blankets, and hygiene products.
