7. **Temporary Restorations / Repairs / Root Canal Treatment:**  
(Temporary crowns, bridges, laminates, bonding, fillings, partials, dentures, immediate dentures, any temporary procedure, sedative filling, Build ups, posts, pins, Root Canal Treatment, Pulpotomy) – **No Guarantee**
8. **Bite guards, Snore guards, Bleach guards, Orthodontic appliances, NTI Migraine appliance** –  
6 Month guarantee for fit only, not guaranteed to solve the intended problem
9. **Teeth Whitening:** In-office or Home teeth whitening, all teeth lighten but there is no way to determine the extent of teeth whitening, nor can we determine the duration of the whitened teeth appearance, Therefore, there is no guarantee with any teeth whitening procedure.
10. **Cosmetic Dental Procedures:** Due to the differences in ones perception of esthetics, There is no guarantee for any cosmetic / esthetic dental procedures.

The above guarantee dated 1/1/2004 takes the place of any prior guarantee and only allows for the replacement or repair of the current restoration, at no charge to the patient, during the guarantee period for broken restorations with an identical restoration. No adjustment will be made for restorations, which are functionally sound, but the patient feels are not esthetic or if the patient wants a different type of restoration. The determination as to whether to repair or replace the restoration will be made by Dr.Gordon. No adjustment will be made for restorations, which are damaged due to injury or accident or if the supporting tooth is damaged, decayed, broken or otherwise not-repairable or would require extraction (tooth removal) or endodontic procedures (root canal treatment) or periodontal procedures (gum / bone treatment). Any removable restoration, which is dropped, stepped on, lost, bent, warped, broken, cracked, chipped or damaged by pets is not covered by this guarantee. **Any subsequent restoration fee would be the patient's responsibility.**
