The Stratton School Board held an informational meeting for Stratton residents on Wednesday, July 12, 2017. The meeting was called to order at 7:00 P.M.

**PURPOSE:** The reason for the meeting was to present information dealing with Acts 46 and 49 and to discuss options which include a possible merger with the towns Winhall and Sandgate as well as tax incentives from the State.

Stratton Chair, Tom Montemagni gave a review of Act 46 which deals with guidelines for district merging, timelines and the Stratton school boards efforts to provide the best option for the towns approval and ultimately the best education opportunities for Stratton's students. He also discussed Act 49 which offers additional merger options and tax credit incentives for merging non operating districts.

Questions pertaining to the tax incentives and their benefits, the number of Stratton board representatives in a newly formed district and the continuation of school choice were at the top of the list.

It was agreed that Stratton would enter into a formal study group with Winhall and Sandgate which could result in a single district under the BRSU. However, at the time the meeting adjourned, those in attendance agreed that Stratton remain a stand alone, non operating district.

The informational portion of the meeting was adjourned at 8:00 P.M.
