

# REVELATION 12 SIGN

## MENORAH CONJUNCTIONS

The purpose of this illustration is to suggest that a 'Menorah' typology can be conveyed during the Revelation 12 *Virgo Sign* on September 23, 2017. The typology of the Menorah with 7 branches correlates to the 7 luminaires the *Virgo Sign* will depict across the *Ecliptic* on that day. These 7 celestial luminaries are the only moving bodies within the constellation from Earth's perspective. This assertion is highly suggestive but perhaps such a 'Menorah' typology at that place and time conveys the 'Signature' of the Creator that has patterned many of the elements within *Creation* to include the *Creation Week*, the *Jubilee Year Cycles*, *Pentecost* and the 7-Churches of Asia, etc. If the *Virgo Sign* is to point to a major prophetic event, that remains to be seen but it does appear to be a piece of the prophetic puzzle for the 'Last Generation' of the *End Times*. And not just any other celestial signs dealing with unapparent bodies but Biblically prophetic ones dealing with YHWH's timepiece, Israel. No other Revelation 12 *Virgo Sign* remotely occurs on such a timetable that speaks volumes of Biblical prophecy converging. This 'Sign' is but a piece of the prophetic puzzle of the *End Times*.

### MENORAH PROPHETIC PATTERNS

With the signature stars of Spica in Virgo and Regulus in Leo, the Menorah depiction would mirror that of the Hanukah 9 candle Menorah.

#### UNIQUENESS OF THE REVELATION 12 SIGN IN 2017

The Hand Sign of the Jewish Priestly Blessing is as if the 'branches' of the Menorah and the heavenly bodies of 'light'.

As an 'Almond Tree'  
 The LORD, He is GOD and He has given us LIGHT.  
 Psalm 118:27

Thus, the distinction of this version of the Revelation 12 *Virgo Sign* is 'time and place'. It has to do with its timing of how other apparent synchronized events and time markers converge as no other of its kind. Granted there are some other close approximation of the Revelation 12 depiction as the constellation *Virgo* is the only female 'Sign' that is positioned to 'birth' heavenly bodies along the *Ecliptic*. There have been others that have tried to debunk the 'Great Sign' as occurring several times already but upon closer examination, the alignments do not satisfy the prime motif element of the 'gestation of Jupiter' in the 'womb of Virgo' that distinguishes the *Virgo Sign* of 2017 from all others astronomically at least.

 As a Servant, as a 'Tree', a 'Menorah' before the Living Waters of the Presence of YHWH before His Thorne.
