

Just the Facts

*"He never changes.! He is same yesterday, today and forever"
(Hebrews 13:8).*

The definition of Fact means: 1-something that actually exists. 2-Reality. 3-A truth. So today, I thought I would encourage you with just the facts.

Fact -The presence of God on your side immediately gives you a winning majority against any opponent. God on your side automatically gives you the winning advantage.

Fact- When Jesus hung on the cross, He provides everything we could ever need. Not only did Jesus win the victory, but He gave that victory to you. What Jesus defeated on the cross is endless.

Fact- You have been declared the official winner. The Word assures you that He is on your side. As a child of God, you can rest in the fullness of this truth. God is not against you He is for you! God is for YOU!

"The Lord says, "I will ·make you wise [instruct you] and ·show (teach) you ·where to [the way you should] go. I will ·guide (counsel) you and ·watch over you (my eye will be on you)" (Psalm 32:8) EXB

What Jesus accomplished for you is beyond measurement! He is everything you need when you need it. This means He is boundless, inexhaustible, unlimited and immeasurable. He cannot be defined by size or amount because He has no beginning, no end, and in Him there are no limits (Romans 11:3).

- *Your commands are always with me and make me wiser than my enemies (Psalm 119:98).*
- *For the LORD gives wisdom: out of his mouth comes knowledge and understanding (Proverbs 2:6).*

Situations may try to come against you, but they cannot do it successfully. The power of God's Word will always give you the strength to keep going, even through the most difficult times.
