

Hello fellow ELR shooters.

I now have the Raton Thunder ELR registrations as downloadable products on:

www.shop.ThunderAmmo.com

You can add the matches you want to attend to your cart and once you checkout you can download the forms.

Each match has its own form to save confusion on who is shooting what.

You can email the filled-out forms to me, or mail them to the address on the form.

Light Gun is 338 and under and we are going out to 2650 yards (1.5 miles), 3 relays, 33 rounds. We are considering adding a Peashooter division that would only go to 1990 yards.
