

Christmas Giving Tree

The Christmas Giving Tree provides gifts to refugee families and homeless teens from Covenant House, Clare House and the RAIS program. The tree, which stands in the church foyer, is decorated with paper angels listing the needs of the recipients. Parishioners may place the returned angel, attached to an unwrapped gift, under the tree. Volunteers are needed to deliver the gifts to the appropriate locations. (Mary Snowball 907-337-5370)
