

# Olde Vineyard Homeowners Assn

## Renovation and Construction Approval

1. Contact the HOA & the City of Clinton for approval.
2. Owner or contractor should provide by email all proposed construction information.
3. Share your specific plans, including diagrams, images, planned materials and colors.
4. If homeowner plans to use a construction professional or contractor, provide name and contact information.

It is very important for work done to comply with HOA Protective Covenants before work begins. The HOA and the City will send you approval so you will know your project complies with City and HOA codes and covenants.

Send this information to the HOA at [oldevineyard@gmail.com](mailto:oldevineyard@gmail.com).

You may contact the City of Clinton at 601-924-2256 or by email at [redwards@clintonms.org](mailto:redwards@clintonms.org).
