

THE MIRACLE MAN

By John Lipinski

He walked on water, He forgave traitors
He baptized strangers, He's the Miracle Man
He healed the crippled, He fed five thousand
He turned the water to wine, the Miracle Man

He is the One who, was sent from above to
Open the gates to His Kingdom
Son of the Father, Creator of all things
The Giver of life everlasting

Gave sight to sightless, brought light to darkness
Resurrected Lazarus, He's the Miracle Man
He cast out demons, He loved the loveless
Foretold Samaritan girl, the Miracle Man

He is the One who, was sent from above to
Open the gates to His Kingdom
Son of the Father, Creator of all things
The Giver of life everlasting

What will it take, for you to have faith
How many miracles, must He perform, to believe

He walked on water, He forgave traitors
He baptized strangers, He's the Miracle Man
He healed the crippled, He fed five thousand
He turned the water to wine, the Miracle Man
