

GSE High School Summer Camp Program

July 7—August 3, 2019

Experience the unique culture of Pittsburgh, the historic sites and museums of Washington D.C. combined with an educational experience and university visits.

Four Week Educational & Cultural Excursion in Pittsburgh, Pennsylvania—USA

Participants will attend Biology, Environmental Science, and Physics classes five days per week. This will provide an opportunity to interact with American students and understand education in the United States. Participants will experience the culture of the

Private High School

Students will attend one of our college preparatory schools that focuses on educating and transforming young men and women in grades 9-12. Students are well-prepared to find success in post-secondary studies, and alumni are leaders in a vast range of professions. College in High School classes are offered through John Hopkins and Notre Dame Universities. The family atmosphere fosters personal growth and our students are enriched within challenging courses, unique electives and activities, and comprehensive athletic and art programs.
