

DYNAMITE!

Rachael Martin 3,14,2016

I see a line of gunpowder traveling to a pile of explosives and I feel the Lord is saying the following:

He has the power to ignite things in your life, however, on the way to that pile of dynamite, there are hiccups in the path, such as rocks or winds that try to blow away the powder or someone coming in and trampling on it and snuffing out the sparks that are trying to make their way to the explosives.

These hindrances are trying to block freedom to move forward.

I feel like the Lord is saying there are things in our life that are leading to an explosion and that the explosion could be good or it could be bad – depending on how we react to the hindrances.

Have you ever seen a firework that you light and you run away like crazy after lighting it because you just know it's going to explode and go off into the sky and thenNOTHING.

It just fizzles.... It turns out to be a dud.

Isaiah 57:14 - And it shall be said, “Build up, build up, prepare the way, remove every obstruction from my people's way.”

It's time, today, to start moving things out of the way that are hindering our love and affection for God. It's time to remove obstacles, and pray for the Lord to remove barriers that we may not even know about but God does and He wants to build up our confidence and our love and our desire for His word.

At the same time – it is time to put out any increasingly, potentially dangerous, avenues of destruction that could cause us to operate in our flesh. Remember the Bible says that the Lord will PROVIDE a way of escape for you! Believe Him, He will do what He says He will do!

1 Corinthians 10:13 - No temptation has overtaken you that is not common to man. God is faithful, and he will not let you be tempted beyond your ability, but with the temptation he will also provide the way of escape, that you may be able to endure it.

Lastly – I want to point out to those of us who's fire is burning for the Lord but it may seem like it's burning slow... be encouraged that at least it's burning! Know that as we desire the increase, the Lord is faithful to give it. (**1 Corinthians 3:7**) He can fan the flames and keep the burning going. God will bring our purpose and vision in His timing. Allow this steady learning, growing, and sometimes painfully slow process of growing, move in God's rhythm not our own.

Hurry up and wait! (I've heard that said before!)

*Lord thank You for burning a trail of Your timing, purpose, perspective, will, and love
to blow up what needs to be blown up in my life – I know I'm on the Road to a
Dynamite Relationship with You!*

Habakkuk 2:3 - For still the vision awaits its appointed time; it hastens to the end—it will not lie. If it seems slow, wait for it; it will surely come; it will not delay.
