

News from the Meadow March 2021

*When the March winds blow
We all know-
That spring will soon arrive,
We will CHEER,
When buds appear
For all nature is alive.*

The cold wintery days hopefully will end, and the windy days will begin!! Blustery gusts will whirl our hats and, of course, our treasured art work as we race to and from the parking lot. The days will be growing longer and we'll all turn into weather watchers to see if our new month of March roars in like a lion and goes out like a lamb.

Since we are not able to follow our normal procedure for parent conferences, please contact your child's teacher with any concerns.

We are hoping the weather continues to get warmer, so we can have our traditional leprechaun hunt. The children will follow clues left by the "tricky Leprechaun" hoping to catch him. We haven't been able to find him so far, but that does not keep us from enjoying a surprise at the end of the hunt. Please check your child's calendar for their hunt day and any special instructions the teacher may have.

I would like to thank everyone for spreading the word about Meadow Flower. Registration for next year was successful. I still have openings in the Pre-K Enrichment class. Please call the school office if you would like any information.
