ice	29 Painting icicles	30 Coloring with ice				

Dear Parents,

We had such a fun October with the kids, doing a bunch of different crafts with apples, pumpkins, leaves, and more! Just a reminder, as the weather is changing it is starting to become colder so if we could start sending them with thicker jackets that would be wonderful!

For November we will be learning about our emotions and our body, and lastly what we are thankful for! I would also like to mention to parents to please continue to bring a two-part snack for the kids, enough to feed six-teen kids at the beginning of the month.

In November we will be welcoming Ms. Maddie to our classroom as a co-teacher for the Discovery I Classroom. She will be bringing with her 4 new friends who have recently turned 2 from the Toddler II classroom that will join our class.

A reminder that the center will be closed on November 24-26 for Thanksgiving Break. If you have any questions or concerns feel free to email me.

Ms. Anna Gilmore
