We are trying to keep these meetings small so that all questions can be answered. However, I want ALL (Members and Nonmembers) to attend. This way of doing the insurance will **require higher copays and out-of-pocket expenses**, but the HUB will give you a debit card to cover a certain amount of those costs or reimburse the member. This however will raise our rates this year, they will actually decrease. It is very difficult to explain so I want the specialist from the hub to explain it to you. WE WILL be **voting** on this throughout the week at each meeting a link will be provided. Please attend one of these meetings, otherwise, you will not have a voice in this decision.
