2. Identify the most difficult item(s) the board/commission addresses in making parks & recreation decisions on behalf of the community.
3. Describe the most significant accomplishment the nominee has achieved on behalf of the community.
4. Describe the most significant accomplishment the nominee has made on behalf of the senior community.
5. Describe an activity or event achievement made by the nominee that will continue to make a significant contribution to the community.
6. Describe the most unique or innovative program developed by the nominee on behalf of the community.
7. List any awards offered by the commission or board to city staff or community members for major contributions to the community.
8. List any programs existing that have been made by the nominee on behalf of specially-challenged members of the community.
9. Identify any programs offered by the nominee to provide diversity to members of the community.
10. Describe the newest amenity or park developed for your community in which the nominee has been involved and when it was established.
11. Describe any partnerships that exist with other organizations, how well they're functioning, and what contributions they have made to the community.
12. Describe the newest programs endorsed by the nominee and offered for the community, including attendance, reasons for establishment, and dates initiated.
13. For what major reason(s) does this commission or board deserve an "outstanding" award.
 - (optional) What would the board or commission recommend in a new Assembly or Senate bill or ballot measure which would benefit the community's park & recreation program?
