

2020 Clark County Online Junior Livestock Auction

(due to the Clark County Fair being cancelled)

Rules and Regulations

The Clark County Junior Livestock Auction Committee is here to provide a platform for our market livestock exhibitors to sell their market animals that were purchased to show and sell at the 2020 Clark County Fair in Ridgefield, WA. This online auction allows our community buyers to support our future agriculture leaders as they have in the past. It is not only our goal to help the market livestock exhibitors financially, but to also give our community an opportunity to comply with 4-H, state and local guidelines to voluntarily participate in during these trying times.

Please direct general auction questions to juniorlivestockauctionccf@hotmail.com.

How the Auction Works:

- Animals will be sold online at Breeders World Final Drive Youth Auctions to the highest bidder.
- Lots are available to view on the website starting July 15, 2020. Bidding will open on Monday, August 10th at 8:00 a.m. and will close for bidding on Thursday, August 13th at 5 p.m.
- Bids will start at the seller's floor price.
- Sale Order will be rabbits, goats, sheep, beef, hogs, poultry. Sale order within each specie will be set lottery style.
- This auction has a soft close, which means that within the last 2 minutes of the lot, if there continues to be bidding activity on that lot, the time of close will extend by 2 minutes until all bidding activity is done with that lot.
- Bids are being placed by the head, what that means is if you place a bid for \$1,000, it is for the whole animal, not \$1,000 per pound. The auction guarantees no weights as this is not a "purchase by pound" auction.
- Bids will be fixed amounts. What does this mean? If the bid is at \$500 and your max bid is \$1,000, the computer will automatically bid you up to \$1000 as others bid against you.
- Buyers and sellers will be responsible for delivery or pick up of animal.
- All payments from buyers will be made within seven days of auction close. Invoices will be emailed within 48 hours of auction close. Credit Card payments can be made by clicking on the link on the Invoice. Payment in the form of checks can be mailed to Junior Livestock Auction, 17402 NE Delfel Road, Ridgefield, WA 98642.
- Add-On's can be placed on the Breeders World Final Drive Youth Auction website or can be mailed in with an Add-On Form and payment to Junior Livestock Auction, 17402 NE Delfel Road, Ridgefield, WA 98642.
