

Hello Soror,

We hope all is well with you. Planning for the 50th Celebration is well underway. The Committee is diligently working to make our celebration a weekend of fun, food and fellowship.....celebrating our legacy and financially supporting our alma mater, Paine College.

Out of the weekly meetings, it was noted that sorors would like to know the breakdown of the \$150.00 registration fee. Please see line items below. We have a full weekend. Not a dull moment from time of arrival to time of departure. Please stay tuned to the website via link <https://www.guservices.com/reunion2020.html> .

As we move closer to the event, we will begin to update more frequently. **REMINDER: Orders for para must be placed no later than December 31, 2019 in order to allow for timely delivery.**

My very best regards and wishes to you and your family for a Blessed Holiday Season. Deloris
