Judy Bennett will be available for Summer Tutoring in a variety of subjects to help with your student's academic needs. I only have a few spots available so it will be 1st come, 1st served. Please talk to me if you are interested in having your student tutored this summer.

I will be tutoring at Trinity School in the office inside the Staff Room Tuesdays, Wednesdays, and Thursdays in hour-long lessons. I would like to have your student for 1 hour all three days which is so important for consistency and progress!
