Community Garden at Forest Hills Presbyterian Church

The Forest Hills Community Garden is Growing Again!

The Garden Boxes were cleaned, new soil was added and gardeners are busy planting their Fall gardens at the Forest Hills Community Garden located on the property of Forest Hills Presbyterian Church, 709 West Linebaugh Avenue., Tampa, FL 33612.

Boxes rent for \$25 a growing season. The boxes are available on a first come, first served basis. For information contact Linda Swiger, 321-278-4320.

When the pandemic changed the way we were forced to live our lives, many people found getting outside a good way to cope with our new lifestyles. Rather than working in your own yard all the time, some found that going to a different place, growing vegetables and flowers an enjoyable change of pace.

Spring gardeners enjoyed a bountiful harvest of green beans, lettuce, tomatoes, okra, peppers, marigolds, zinnias and sunflowers.

Fall gardeners have already harvested mustard greens and collards. Peas are starting to flower and green beans are popping up in beds.

There are information leaflets in a marked container next to the church mailbox. Stop by to see what growing on!

Hillsborough COVID-19 State of Local Emergency Extended; Face Coverings Mandate Still in Effect

Hillsborough County has extended its state of local emergency enacted in response to the COVID-19 coronavirus pandemic. The declaration includes a mandate that face coverings must be worn in indoor locations of businesses, with certain exceptions.

Hillsborough County Administrator Bonnie Wise today extended the declaration under authority authorized by the County's Emergency Management Ordinance and the Board of County Commissioners.

The extension is in effect at least through Nov. 5. A state of local emergency can be in effect for only seven days, unless extended. The emergency declaration gives the County Administrator and emergency managers the ability to quickly take certain actions to ensure the health, safety, and welfare of the community, and provides a path for federal reimbursement of certain expenses.

Commissioners will discuss the state of local emergency and other COVID-19 issues at their next regular meeting on Thursday, Nov. 12, at 10:15 a.m.

For more information regarding Hillsborough County's face coverings requirements, go to [HCFLGov.net/facecoverings](https://www.hcflgov.net/facecoverings). Residents and visitors are also reminded to practice social distancing, avoid large crowds, and wash hands frequently.

Get Connected. Stay Alert.

Things to look for while choosing a quality Pre-school for your little one during COVID

Is It Safe to Send My Child Back to Daycare During COVID-19?

Daycares are reopening in states across the country and likely near you. But are they safe as COVID-19 cases still exist? Here's what you need to know about the safety measures pre-schools/daycares should take to protect your child.

Some pre-schools in the U.S. stayed open for the children of essential workers during the entire pandemic, others couldn't survive the financial burden of closing for so long, and now—months after the coronavirus crisis began—the remainder of child care centers are opening their doors to families again. But how safe are they, and should you send your kids?

There's no right or wrong answer, as every family is in a completely unique situation. But if you're on the fence and able to keep your kids at home a little longer, it might not hurt to do so.

Parents should especially consider holding off on sending their kids back to daycare if logistically possible if the child has an underlying medical condition or a previously diagnosed weakened immune system, this is the recommendation of the top medical professionals.

Being a pre-school teacher for 37 years myself, it is very scary for the teacher's as well.

Not every family has the option to stay home, though. Some parents will soon have to return to work in person, some need support after weeks of trying to make ends meet, and for others, the workload is just too much to have a child at home. Other parents are simply ready for their kids to get back into their normal routines and socialize again, and that's OK too. At the end of the day, every parent needs to decide what's best for their family.

Working with guidance from the Centers for Disease Control and Prevention (CDC) and local and state health officials, you can rest assured that daycare owners are taking every precaution to protect your little ones from COVID-19.

These are the Safety Measures the Pre-schools/Daycares Should Take to Lower the Risk of COVID-19 Kids should be screened daily.

- Children and staff who are sick or who have tested positive for COVID-19 will be required to stay home. A larger outbreak might require the facility to close for two weeks.

- Pickup and drop-off times will be staggered and done outside of the facility, with one parent or caregiver being designated to come to the center at a given time. Parents must wear a face covering.

- Temperatures of children and staff will be taken and recorded daily, and may be repeated throughout the day; those with 100.4 and over will not be able to enter.

- Parents will also be asked whether or not the child has recently been near someone with COVID-19 or if anyone at home is sick. If the answer is "yes," they will not be able to enter.

Social distancing and hand-washing should be enforced.

- Staff should be required to wear cloth face masks.
- Hand-washing will be implemented immediately upon entering the center, and frequently throughout the day.

- Social distancing will be reinforced as much as possible, with children split into smaller groups. They will remain with the same caregiver and group all day, which means no communal eating, playing with other classes, or assemblies.

- Visitors will be prohibited.

- Outdoor time is suggested as much as possible, but social distancing should continue. Any outdoor toys will be disinfected before the next group comes out to play.

Cleaning will be taken up a notch.

- Surfaces and objects that are frequently touched will be even more thoroughly cleaned and sanitized.

- Toys will be disinfected between use.

- Sensory play (think water tables or sandboxes), plush toys, and anything that would not easily be cleaned between uses will not be permitted.

- Every child should have their own supplies to limit contact. Shared crayons or scissors, for example, would be harder to clean during an activity.

Proper nutrition, exercise, a good night's sleep, and frequent hand-washing are more important than ever to boost your family's immune system.

Setting up a time to talk to the director of the center of your choice is the first step to ensure that they're taking every step necessary to protect your kids. You've got to trust your gut and do what feels right for your family—whether that means sending them or keeping them home.

Remember, the CDC recommends everyone 3 years of age and up wear a mask!

The best thing you can do is ask questions of your pre-school/daycare director. Don't be afraid!

New Tampa Prayer Connection

New Tampa Women's Prayer Connection - Passionate about prayer? Join us on Tuesday, November 10th at 9:00-10:00 am at Bob Evans on North Dale Mabry

It is well known that time has a way of bringing about a "lapse in memory." Many of the important events in our lives - especially when God has intervened in a very dramatic way - have been forgotten over the years. Yes, there are moments when they come to mind, but for the most part, unless we record them somewhere they are forgotten. Certainly this is a shortcoming for many of us and it would be good if we had a "remember this" list.

No doubt that is why God had David add this "benefit" to his list of "Do not forget."

"Do not forget that he redeems - or more literally - rescues you - from the pit." In the previous verse we are reminded about His healing. Now we are reminded to "store this 'benefit' - being rescued from death inside us."

"The pit" quite literally means "death." Those who have ever "walked through the valley of the shadow of death" understand the significance of the "walking back into the light" of life. So, we dare not forget the great benefit and blessing of the restoration of health and healing, hope and happiness.

But we must also remember the "benefit" of having been rescued from "eternal death!" Jesus promised us that, "I am the resurrection and the life. He who believes in Me will live even though he dies; and whoever lives and believes in Me, will never die." This great benefit, eternity with Him, is the greatest of all benefits!

May we remember and rejoice each day that we enjoy the benefit of eternal life and the hope it gives us.

He "crowns you with love and compassion," wrote David. What an amazing statement. Is it possible for us to understand what this means? God Himself crowning us with His love and compassion? What might our author have had in mind when he wrote this? Could it mean that we are kings in God's eyes?

Not really. It means that when we became His children He crowned us with His loyal, never-ending, steadfast love. We are His now and we will be His forever throughout eternity and nothing will ever separate us from Him or His love.

In his letter to Timothy, Paul wrote that "If we die with Him we will also live with Him, and if we endure hardship we will also reign with Him."

Although we may suffer great hardships in this life, God assures us that someday we will live eternally with Him. So, it's worth it. And when we live in Christ's Kingdom, we will share His eternal reign with Him.

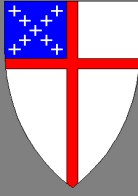

There may be times when our suffering may cause us to doubt God's love. When these doubts arise, we must never forget that we have been crowned with His love and compassion. "Our present sufferings," said Paul, "are not worth comparing with the incredible glory that will be revealed in us." The assurance of His love gives us hope.

Once crowned with His love and compassion we need to remember that we will, as Paul also said, "see the incredible wealth of His grace and kindness." When we are crowned by God Himself, what more can we ask.

Buying a new TV was a very big event for Tampa families when this photograph was taken for Allied TV Sales. Take notice of the older gentleman walking along with his hat and coat-typical attire for men out on an errand during this era. Also pictured here is the Tampa TV channel and program schedule for 1956 – with a total of four TV stations to watch on your new set from Allied TV Sales! Do you remember any of these popular shows? History of Veterans Day

By Author John Cinchett

World War I – known at the time as “The Great War” - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven

months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November

11, 1918, is generally regarded as the end of “the war to end all wars.”

In November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following

words: “To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country’s service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations...”

The original concept for the celebration was for a day observed with parades and public meetings and a brief suspension of business beginning at 11:00 a.m.

An Act approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as “Armistice Day.” Armistice Day was primarily a

day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation’s history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word “Armistice” and inserting in its place the word “Veterans.” With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars. Later that same year, on October 8th, President Dwight D. Eisenhower issued the Veterans Day Proclamation which stated: “In order to insure proper and widespread observance of this anniversary, all veterans, all veterans’ organizations, and the entire citizenry will wish to join hands in the common purpose. Toward this end, I am designating the Administrator of Veterans’ Affairs as Chairman of a Veterans Day National Committee, which shall

include such other persons as the Chairman may select, and which will coordinate at the national level necessary planning for the observance. I am also requesting the heads of all departments and agencies of the Executive branch of the Government to assist the National Committee in every way possible.”

Veterans Day continues to be observed on November 11, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11 not only preserves the historical significance of the date, but helps focus attention on the important purpose of Veterans Day: A celebration to honor America’s veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

Take a moment to stop and thank any veteran you know—their love of country and dedicated service keep us ALL free in this great country of ours! May God Bless all of our beloved veterans and keep them all safe in His Loving Arms!

TAMPA BAY NEWCOMERS ENJOY WESTERN LUNCHEON

A "boot scootin" fun time was had by the ladies of Tampa Bay Newcomers on October 27, at The Madison Barn in Thonotassassa for their monthly luncheon meeting. Western was the theme created by Debbie Ellett and Shirley Callaway, Co-First Vice-Presidents & Luncheon Planners, with table decorations furnished by the owner, Irene Rivera. The ladies were served Irene's homemade Western buffet including delicious peach cobbler. Social distancing of tables and masks & gloves worn by the servers to keep our ladies as safe as possible. One of our favorite singers/entertainers, Ralph Rogers, provided music for listening and dancing. It was a great, fun, "yeehaw" luncheon in a great venue!

Tampa Bay Newcomers is a Social Non-Profit Organization whose Mission Statement is to promote friendliness, to provide venues for social interaction with other newcomers to the area as well as established residents, and to work for the good of the community by contributing to community services. Hillsborough County to Resume In-Person Quorums for Public Meetings Effective Nov. 1

*Public participation for most meetings will
remain virtual*

Hillsborough County, Fla. (Oct. 30, 2020) – With a statewide executive order regarding virtual government meetings expiring this weekend, Hillsborough County is ready to resume public meetings in a way that allows for in-person quorums while keeping officials, staff, and the public safe.

For months during the COVID-19 coronavirus pandemic, the Board of County Commissioners and dozens of other County-related agencies, boards, and councils have presided over public meetings virtually. Telephone and video meetings of local government bodies were authorized by Florida Gov. Ron DeSantis in mid-March. The latest extension of that order expires Sunday, Nov. 1 and is not expected to be renewed.

While officials will return to an in-person, socially distant meeting setting, it is imperative to continue to take steps to protect all participants. Therefore, most meetings will feature a hybrid format which allows for some board members to participate virtually as long as a voting quorum is present in person. A quorum is defined as the minimum number of members of an assembly that must be present at any of its meetings to make the proceedings of that meeting valid.

Also under the hybrid meeting format, non-essential staff, presenters, and the public will continue to participate virtually via audio or video. The exception is quasi-judicial meetings, such as land use meetings and Code Enforcement Board meetings, which have an expectation of due process. These meetings will offer the option for interested persons to speak and share documents in person or virtually. Anyone attending a quasi-judicial meeting in person will be required to wear a face covering, and temperature checks will be conducted at the door.

While County Commissioners and members of other boards and councils will be returning to County Center for meetings, the building remains closed to the general public at this time. To accommodate social distancing, some boards and councils will be meeting at other locations.

The new rules for public meetings are the result of extensive research and work by staff from several County departments and the County Attorney's Office. Hillsborough County will continue to conduct all public meetings with the safety of the public and staff in mind.

For more information about the new format, visit the website here. A video also is available on the County's official YouTube channel here or at YouTube.com/HillsboroughCounty. For details about a specific meeting, including how to participate, click on the Calendar link at HCFLgov.net.

Xi Delta Delta Chapter of Beta Sigma Phi celebrated Halloween

Xi Delta Delta Chapter of Beta Sigma Phi entertained the Preceptor Iota Chapter, Theta Beta Chapter and Laureate Gamma Beta Chapter. The Chapters gathered (masked & socially distancing) for a boxed lunch at Oldsmar City Park. They played games and enjoyed seeing their sorority sisters from all four Chapters. The Chapters are active members of Beta Sigma Phi Tampa City Council. Every year the Chapters randomly selects another Chapter to entertain. Due to Covid, Xi Delta Delta had to cancel the entertainment they had planned for Preceptor Iota. The Xi Delta Delta Social Committee decided it was time to entertain Preceptor Iota and also invited Theta Beta and

Laureate Gamma Master to join the picnic.

The purpose of Tampa City Council of Beta Sigma Phi is to promote inter-chapter harmony and to provide a way for the members of chapters to correlate their planning and activities in citywide events. Normally Tampa City Council (TCC) celebrates Beginning Day in August, Holiday Luncheon in December, Valentine's Day in February and Founder's Day in April. Due to Covid, TCC has been holding meetings and socials virtually since the shutdown in March.

Beta Sigma Phi (BSP) is a woman's organization founded in 1931. BSP is also known as the "Friendship Organization" because of the diverse ages and educational backgrounds of its members. BSP is not affiliated with any college. Members are encouraged to grow personally, while participating in the growth of others. For more than eight decades Beta Sigma Phi has grown to over 150,000 members representing more than ten countries around the world. If you would like more information about BSP, visit the Tampa City Council website: bsptampacitycouncil.com or email: bsptampacitycouncil@gmail.com. Check our FaceBook page: BSP Tampa City Council.
