N'Ferno PAC – Intro to Dance Program Class Attire

N'Ferno believes that uniforms foster a more structured and disciplined class environment, which in turn promotes a more positive classroom atmosphere. It is also exceedingly important for our teachers to be able to adequately see their students' bodies in order to promote and aid in developing proper body alignment, correct muscular development and to help with preventing injuries. **Dress code (both hair & attire) will be STRICTLY enforced throughout the dance season.**

N'Ferno strives to produce dancers that have a sense of discipline and focus. This means we **MUST** present ourselves in a professional manner and it starts with our dancer's appearance. Attending class properly dressed and looking professional dictates your dancer's classroom experience, creating a level of respect for themselves and to the instructor.
