
VILLAGE OF COHOCTON NEWSLETTER

April 2025

A note from the Mayor Sandy Azzi

Spring is finally coming. It has seemed to be a long winter in the village. We certainly have had more snow and cold this year compared with the past few years.

Billy Waggoner and his crew have had their hands full keeping our streets and sidewalks cleared. Of course, the snowstorms didn't have a 5-day week scheduled and you have seen them out on Saturdays, Sundays and even some holidays. We thank them for their service and are lucky to have them working in our village.

Just to update everyone, we can now issue hunting and fishing licenses in the village office. Stop in and see Ashley at the village office to get yours. Ashley also is a notary public if you need one.
