As used in this Agreement, the terms "Agency or BCSO" shall mean the Brevard County Sheriff's Office.

PREAMBLE

WHEREAS, it is recognized by the parties hereto that the declared public policy of the Sheriff and the purpose of Florida Statutes (FS), Chapter 447, Part II, is to provide statutory implementation of the Constitution of the State of Florida, Article I, Section 6, and to promote harmonious and cooperative relationships between the Sheriff and his employees, both collectively and individually, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of the Sheriff; and

WHEREAS, it is the intention of the parties of this Agreement to set forth the entire agreement with respect to matters within the scope of negotiations; and

WHEREAS, the above language is a statement of intent and, therefore, not subject to the grievance procedure as outlined in Article 6;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties do agree as follows:

Article 1
RECOGNITION

- 1.01** The Sheriff hereby recognizes the Coastal Florida Public Employees Association, as the exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees included in the bargaining units for which this recognition is accorded as defined in the Certification issued by the Florida Public Employees Relations Commission, Certification Number 1575. This Agreement includes all employees in the classifications and positions listed in Appendix A of the Agreement.
- 1.02** The Sheriff will not be called upon to recognize the Association as a bargaining agent for any of the BCSO's employees other than those included in the certified units set forth above, in the absence of a new certification by the Florida Public Employees Relations Commission (PERC). Clarifications of and amendments to the bargaining units as defined above shall be by mutual consent of the Sheriff and the Association, or in the case of a dispute, by determination of PERC.

Article 2
GENDER REFERENCE

- 2.01** All references in this Agreement to unit members of the male gender are used for convenience only and shall be construed to include both male and female unit members.

Article 3

The Sheriff will make such deductions when other payroll deductions are made and will begin in the first full pay period following receipt of the authorization by the Sheriff.
- B. The Association shall advise the Sheriff of any increase in dues in writing at least thirty (30) days prior to its effective date.

In the event a unit member's salary earnings within any pay period, after deductions for withholding, social security, health insurance, and other priority deductions, are not sufficient to cover dues and any authorized deductions, it will be the responsibility of the Association to collect its dues and authorized deductions for that pay period directly from the unit member.

3.04 Termination of Deduction

Deductions for Association dues and/or authorized deductions shall continue until either: (A) revoked by the unit member by providing the Sheriff and the

Association with thirty (30) days written notice that he is terminating the prior check off authorization; (B) revoked pursuant to FS Section 447.507; or (C) termination of employment.

The Authorization to Deduct Form (Appendix B) or as amended by the Association not inconsistent with the terms of this Agreement shall be the only form used by unit members who wish to initiate dues deduction and shall contain all the information required by the form prior to submission to the Sheriff. Article 7

INTERNAL INVESTIGATIONS AND DISCIPLINARY ACTION

7.01 Internal Investigations

- A. The parties recognize that law enforcement personnel occupy a special place in American society. Therefore, it is understood that the Sheriff has the right to expect that law enforcement personnel, regardless of rank or assignment, adhere to a professional standard of conduct. Since internal investigations may be undertaken to inquire into complaints of law enforcement misconduct, the Sheriff reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused personnel.
- B. In the course of any internal investigation, the investigative methods employed will be consistent with the Law.
- C. The procedures provided for in this Article shall not apply to criminal investigations conducted by the Sheriff.

7.02 Investigation Procedures

- A. A disciplinary investigation shall only be initiated by a citizen's complaint taken under oath in accordance with FS Section 117.10 or from a supervisor of the Brevard County Sheriff's Office against a unit member.
- B. Where a formal statement (other than required incident reports, control of person reports, discharge of firearms reports, arrest reports, employee injury/damaged property reports, or any normally required reports) is elicited from the unit member, the interrogation shall be conducted under the following conditions.
- C. For the purpose of this section the definition of interrogation shall be defined as referring to a meeting involving an investigation of an allegation against a unit member with respect to an incident or complaint in which the unit member reasonably believes that information to be obtained at the meeting could lead to a suspension, demotion or termination of the unit member.
- D. For the purpose of this Article, the terms interrogation and interview are interchangeable as they relate to the unit member under investigation.
- E. The interrogation shall be conducted at a reasonable hour, preferably while the unit member is on duty, unless the seriousness of the investigation is of such degree immediate action is required. If a unit member is off duty at the

- time of the interrogation, the time shall be considered time worked. If it occurs while on duty, the unit member's commanding officer shall be notified of the interrogation.
- F. The interrogation shall normally take place at the Staff Services Office. The unit member shall be informed of the rank, name and command of the officer-in-charge of the investigation, the interrogating parties, and all persons present during the interrogation. All questions directed at the unit member shall be asked by and through only one interrogator during one investigative interrogation, unless specifically waived by the unit member under investigation.
- G. All questions shall be specifically, directly, and narrowly related to the nature of the investigation. Hypothetical questions may be asked during an interrogation; provided however that the unit member being interrogated, prior to being asked a hypothetical question, shall be informed that he is not required to answer a hypothetical question, and he shall not be in any way subject to disciplinary action or other repercussions for refusing to answer a hypothetical question.
- H. At the time the unit member is notified that he is the subject of an investigation, the unit member shall be notified of:
1. The names of all known complainants;
 2. The nature of the allegations;
 3. The policy or policies that were allegedly violated; and
 4. The time frame of the alleged incident or incidents.
- I. Prior to the unit member being interrogated, he shall be provided access to, or copies of, if requested, all statements taken as a result of the investigation. Reasonable efforts shall be made to make such statements available at least 24 hours prior to the interrogation. In the event copies of statements are provided to the unit member, a confidentiality waiver shall be required. All time spent by bargaining unit members reviewing such material shall not be considered compensable working time.
- J. Interrogations shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.
- K. The unit member shall not be subjected to abusive or offensive language or threatened with transfer, dismissal or other disciplinary actions. No promise, reward or threat of action shall be made as an inducement to answering any question.

- L. The complete interview including when recesses are taken shall be recorded, and there shall be no unrecorded questions or statements.
- M. The unit member shall not be obligated to give a second statement concerning the same facts elicited in an original interrogation. This will not preclude an investigator from asking questions at a later time that were not covered by the first statement, or to resolve a conflict that arises as a result of new information learned subsequent to the initial interview. The unit member shall be provided a copy or opportunity to review the initial statement or recording prior to the second statement if requested.
- N. At the request of the unit member, he shall have the right to be represented by up to two (2) individuals from among the following:
 - 1. Association Staff Representatives;

7.03 Employee Rights

- A. When an allegation is made against a unit member, the Sheriff will make every effort to ensure the allegation and any statements regarding the allegation are reduced to writing and signed, and/or recorded. The written or recorded allegation shall be known as a complaint.
- B. The statement shall be taken under oath to a BCSO sworn supervisor, or assigned investigator.
- C. If the allegation is substantive and the complainant refuses to provide a sworn statement, the supervisor receiving the complaint will reduce the allegation to writing and forward it through the chain of command for a determination on a course of action.

- D. Should the complainant be truly anonymous, the supervisor receiving the complaint shall so attest to that fact in writing, prior to submitting the complaint.
- E. Should the allegation relate to an action that if sustained would result in an action less than formal discipline, the supervisor receiving the allegation shall reduce it to writing and forward it to the officer in charge (OIC) or the supervisor/manager of the unit member(s) against whom the allegation is made. The OIC or supervisor will determine what, if any, action is necessary.
- F. Anonymous allegations and allegations not made under oath shall not lead to formal disciplinary action unless clear and convincing evidence is developed as a result of an investigation of the allegations, in which the unit member(s) are afforded all existing rights under this Article.
- G. When a unit member is to be questioned or interviewed concerning a complaint or allegation, the unit member will be informed prior to the interview of the nature of the investigation and whether he is the subject of the investigation, or a witness of an investigation.
- H. When requested, a unit member shall be given reasonable time to contact, consult with, and secure the attendance of an Association Representative for the interview. If he is the subject of the investigation, the unit member or the unit member's representative will also be informed of each complaint or allegation against him and be permitted to review all written and/or recorded statements made by the complainant(s) and witnesses prior to providing an interview. The unit member who is the subject of the investigation shall not disclose the contents to anyone other than his representative and/or attorney until the investigation is complete.
- I. The subject unit member shall upon request, receive a copy of his written or recorded statement at no cost. No recorded statement will be made without the knowledge of all participants present during an interview.
- J. Upon the conclusion of the investigation, the unit member who is the subject of an internal investigation shall be notified in writing of the disposition of the case. If the investigation is not completed within seventy (70) days of notice to a unit member that they are the subject of an investigation, and to the extent possible, the unit member shall be notified as to the status of the investigation, and informed when the investigation should be completed. It is understood that any estimated completion date may continue to be extended based on the facts and circumstances of the investigation.

- K. In cases where the Sheriff determines that: (1) the unit member's absence from the work location is essential to the investigation; and (2) the unit member cannot be reassigned to other duties pending completion of the investigation, the unit member shall be placed on administrative leave with pay. The Sheriff shall make a reasonable effort to complete the investigation within thirty (30) days during any administrative leave status.
- L. If a unit member is arrested for, or charged with, a felony or misdemeanor, he may be suspended without pay during the investigation period and any subsequent administrative appeal. While suspended without pay, the unit member may use compensatory time or annual leave. Suspensions without pay will be authorized by the Sheriff or his designee. If the criminal charge(s) against the unit member is dismissed and the unit member is not disciplined as a result of the administrative process, the Sheriff shall restore the unit member's pay for the period of suspension or any used compensatory or annual leave time.
- M. Unless agreed to by all parties, no unit member shall be required to submit to a polygraph test or any device designed to measure the truthfulness of his responses during an investigation of a complaint or allegation.

7.04 Disciplinary Action

- A. Unit members shall be formally disciplined for just cause.
- B. Each unit member shall be furnished a copy of all disciplinary actions placed within his official personnel file and shall be noticed and permitted to respond in writing to any document placed within their personnel file that contains reference to discipline, sub-standard conduct, and/or sub-standard performance.
- C. A unit member may request that an Association Staff Representative be present during any disciplinary investigation meeting in which the unit

member is being questioned relative to alleged misconduct, or during a pre-deprivation/pre-termination hearing where the unit member is present and discipline of the unit member is being considered and discussed.

- D. No formal discipline other than termination of employment or demotion shall become effective until the appeal or grievance of said discipline is completed, or the timeframes for filing such appeal or grievance has expired. The term “formal” discipline shall mean a suspension or greater, and as such, any action taken less than formal discipline (alternatives to discipline are identified as verbal counseling, written counseling, and written reprimand) is not considered discipline for the purposes of this Agreement. The term “demotion” shall mean a reduction in rank after the unit member has successfully completed his probationary period in the bargaining unit position.
- E. Verbal counseling, written counseling and written reprimands are not subject to the Grievance Procedure identified in Article 6. Unit members may utilize the informal grievance process outlined in BCSO policy/procedure 300.37. Such materials are documentation of performance based deficiencies and the adherence to BCSO policies and procedures.
- F. Written counseling and reprimands will not be considered in determining progressive discipline, provided, however, the unit member has not received corrective action or formal discipline during the preceding eighteen (18) months for the same or similar conduct. Written counselings and reprimands can be used to demonstrate/document a pattern of substandard or deficient conduct.

- B. In the event of a reduction in force, layoffs shall be determined by seniority as defined in Article 14. In the event seniority is equal between unit members, then the following factors will be considered: Agency seniority; unit member's performance records; education, training and experience to include certifications.
- C. No unit member with permanent (non-probationary) status in an affected class shall be subject to layoff while there are emergency, temporary or probationary unit members serving in the same classification within the same precinct, division, or unit or while there is a position vacancy in the same classification within the same precinct, division, or unit.
- D. If a unit member with permanent (non-probationary) status is scheduled to be laid off, the unit member will be offered a demotion to a lower class in the same work unit if a vacancy exists and the unit member is qualified to fill the position. In the event a unit member accepts a demotion to a lower classification, the unit member's pay rate will be decreased based on the unit member's length of service (credit to be given as if in the lower job classification from original hire date) or to a level comparable with other unit members in the lower job classification with like tenure in the job.
- E. All unit members to be laid off will be given written notification of such layoffs by the Sheriff. Unit members receiving less than two (2) weeks notice of layoff shall be entitled to payment in lieu of said notice.

Unit members, in accordance with their religious faith, and with immediate supervisory approval so as not to affect operational capabilities, may substitute another holiday instead of Veteran's Day, Labor Day and/or their birthday. Supervisors must ensure that the unit member does not receive both his requested and Sheriff's authorized holiday(s).
