**Sleds will be judged and prizes awarded for:**

**Fastest Sled** - One timed run per sled. After all sleds have gone, the fastest 8 sleds will be announced and return to the top of the hill for a second run. Fastest sled will be awarded based on the results of this championship run.

**Most Entertaining Run** - Each sled takes between 10 seconds and 2 minutes to make its way down the hill. During that time, a lot can happen. The most entertaining run will be awarded to the team that makes the most of their run without intentionally leaving their sled.

**Best of Show** - This award goes to the sled that demonstrates the best use of material and color to create a unique and visually interesting sled.

**Best Overall Theme** - A sled is more than just duct tape and cardboard. It is also the riders and the pusher who accompany it. This award will be given to the team with the best use of costume and props to create an interesting and complete theme for their sled.

**Crowd Favorite** - Sometimes a sled strikes a chord with people. This award will be given to the sled that receives the most votes from the crowd before the derby begins. Tickets will be on sale in the sled staging area.

**Most Money Raised** - The Great Cardboard Sled Derby is a fundraiser, after all. This award will be given to the team that raises the most money to benefit the work of Cedar Ridge Adventures.
