

“Heaven is on Your Side”

As I prepared to write today, I felt strongly to write on something I had heard earlier in the day, “Heaven is on your side.” As I pondered on the statement, I got excited. I suddenly felt encouraged and my faith becoming stronger.

The Bible is full of absolute truths. Today’s message comes straight from Heaven for you. God wants to remind you that He is for you, He is always with you and He is always for you.

Heaven is on your side. Always has been and always will be. There are no ifs, ands or buts about it. If God be for you, who can be against you?

“What shall we then say to these things? If God be for us, who can be against us” (Romans 8:31).

Friends, it may appear as if the enemy is gaining ground against you, but don’t look at what you see- look at what God says, “Heaven is on your side and if God is for you, who can be against you?”

God has a plan and a purpose for you. God’s love for each one of us isn’t based on what is happening in our life or even on what we do. God’s love is eternal and His love is forever. Throughout the Bible, God has repeatedly expressed His love towards you in a million different ways. “Heaven is on your side.”

No matter what is happening around you, God loves you and calls you His own child. The Spirit of God testifies with our spirit that we are God’s children (Romans 8:16). Be encouraged! Stop right now and declare, “Heaven is for me. God is for me. No weapon formed against me will prosper.”

God has plan for your life and with each circumstance that surrounds your days He is with you. The Lord planned this since the foundation of the world, “Heaven is on your side.” Regardless of the circumstances of your birth or who your parents are, God had a plan in creating you. God is good and He has a plan for your life.

You belong to Jesus. Nothing can separate you from Him. God’s promises are eternal. “For I know the plans I have for you, says the Lord. They are plans for good and not for disaster, to give you a future and a hope” (Jeremiah 29:11). God is all-powerful and all-knowing. He is never been surprised by circumstances.

God has shown and given you a part of Himself that walks with you every step of the way. There is nothing in this world that can stop Heaven from operating in your life. Heaven is on your side and always walking with you.

Think about what ‘Heaven is on your side” means for you personally. God has a purpose. There is purpose for your life. What may seem to be a meaningless jumble of events in truth is not meaningless at all. There is purpose to every event because Heaven is on your side.
