## JANUARY 2023 ISSUE

**Membership Update** – We are writing this Newsletter a few days before Christmas and it causes us to pause and reflect on 2022 as well as to think about the promise of the upcoming New Year. Happy Holidays to everyone. We hope that all have opportunities to visit your friends and families during the Season and we wish for all a Happy New Year. TBLA's next Monthly Social will be Thursday, January 5 at 7:00 pm, at the SCOA Building located at 29275 La Hwy 191, just north of Toledo Town. The doors will open at 6:30 pm, and the meal will begin at 7:00 pm. The entrée will be pulled pork sandwiches and we ask that those attending please bring a side dish or dessert to complete the meal. Please join us and invite a neighbor or a friend to come along. Our guest speaker will be Warren Founds, Executive Director of SRA LA.

**SCOA STILL NEEDS OUR HELP!** - The SCOA Food Bank continues to carry low inventory in these hard times. TBLA is asking its members to please bring canned food or non-perishable, packaged food donations to the membership meeting on January 5, or drop a donation off at the Toledo Town SCOA at your convenience (See more details on Page 2).

**TBLA Board of Directors** –The Board will not meet in December.

**Bass Unlimited Planning Update** – The Bass Unlimited Planning Committee will next meet on January 10, at the TTown SCOA Building at 6:30 PM. We hope that all committee chairpersons can attend. We need a small army of volunteers to make BU successful next April. If you are interested in getting involved in BU for the first time, please attend this meeting or contact Ted Dove at 225-937-0439.

We are also taking early table reservations now for the BU Banquet which will be on April 21, 2023. Contact Gaynell Goodeaux at 337-842-7814 to reserve a table of 8 or larger.

**2023 Glynn Carver Memorial Scholarship** – The 2023 Glynn Carver Memorial Scholarship application packet has been posted on our website on December 1. We have also distributed the application packet to the Lake Area high schools on the Texas and Louisiana side of the Lake. This \$3000 scholarship is awarded annually by TBLA in honor of Glynn Carver. Completed applications must be returned to TBLA by February 1. Please see the application packet for more details on the TBLA website.

Please help the Sabine Council on Aging fill their Emergency Food Pantry by bringing non-perishable items (or making a cash donation) at the next TBLA Social. This Emergency Food Pantry service is supplied strictly by community donations.

**Lake Level** – The Lake level is important to those with an interest in Toledo Bend. Real time information on the matter can be found online at <https://waterdata.usgs.gov/monitoring-location/08025350/> This information is updated every fifteen minutes. The Sabine River Authority’s guidelines for opening and closing the spillway gates appears in their *Operating Guide Rule Curve* document. This document can be found at <http://www.srala-toledo.com/page.aspx?menuId=28>  
 The level is up another six to eight inches with recent rains. As of today, the level is 168.34. If periodic rains continue, we should continue to see a slow rise in the lake level. We are hearing many good crappie reports.
