

Ashtead All Stars 2024-2025 Update No.3, Sunday 13th October 2024

Dear all,

I hate to start a newsletter with a moan, but this week the coaches have been really disappointed with situations across all age groups which has had a negative effect on our matches. Please remember netball is a team sport and the whole team need to be committed.

- Many girls turned up late and missed the warm up. This means the girls are at risk of injury and they have not prepared for the match with their teammates. All girls should be ready for a warm up 15 mins before their match.
- Some girls turned up so late that the matches had to be delayed, and then teams still had to start with less than 7 players. Games were lost as a result of this.
- We have had girls turn up after hockey/football matches clearly exhausted, and not able to play a full netball match.
- We have had girls drop out just before a netball match because they have sustained an injury at a prior football/hockey match.
- We have had girls just not turning up.

This is unacceptable and is unfair to your teammates. It is also unfair to your coaches who spend a lot of time preparing teams for matches, organising matches, and giving up their Sundays for matches. Whilst we appreciate that girls do other sports, this cannot affect their netball matches, as we do expect girls to prioritise their netball on a Sunday.

We would really appreciate your support with this going forward.

Well done to all the girls who played this weekend and thank you to the girls who played twice to ensure that all matches were played.

Surrey Junior Netball League - 13th October 2024

Team	Result	Goals for	Goals against	Star Players
U10A v Cardinals	WON	13	8	Florence and Anika
U10B v Fetcham Hawks A	WON	9	3	Emmy, Savannya and Zara M
