Overdue fines: \$5.00 per day

Many of the library Wifi Hotspots may be reserved using the MORE catalog. Other Wifi Hotspots will be available on a first come, first serve basis (Lucky Day). Wifi Hotspots may not be renewed. Limit one Wifi Hotspot per household. Members of the same household are asked to wait one week between wifi hotspot check-outs due to high demand.

Customers must be 18 and over to check out a hotspot and have a library card for 30 days.

Wifi hotspots must be checked out from and returned to the desk at the River Falls Public Library. No courier to other libraries is available. Do not place in book drop.

Fee for Damage or Loss: The library reserves the right to charge fees for damage or loss of the Wifi Hotspot, up to and including the current replacement cost.

Do not attempt repairs, adjustments or alterations of any kind.

Fees may also be charged for loss of package parts.

Current replacement price

Hotspot- \$110

Carrying case - \$20.00

Power cord - \$15.00

User's guide - \$2.00

Library staff will check to see that all equipment is functioning properly upon return.

Wifi Hotspots connect to the internet using a G3/G4 mobile connection. If you live in an area without good mobile phone coverage, the Wifi Hotspot may not work in your location.

If the Wifi Hotspot is lost, stolen or not returned after 7 days after the due date, it will be deactivated and will no longer have a cellular connection.

By checking out a library Wifi Hotspot, you agree to follow the Library Internet Use Policy. The library is not responsible for any loss of personal information/data or identify fraud that may result from using a library Wifi Hotspot.
