

## IF YOU DIED TODAY ARE YOU 100% SURE OF HEAVEN?

In the century 300 AD an Emperor rose to power in Italy by the name of Constantine. To create a government religion, he took the proper names and deities of the Christians, namely the Anabaptists, and gave them

pagan qualities and personalities. Among these the name Mary was given to Samarias and Jesus was given to Nimrod. The result was a universal church, or catholic church, that adopted Christian names and principles for pagan idols and rituals. Constantine started an organization that compelled everyone everywhere to be catholic, thus furthering the reign of the Roman Empire. In the period of the Dark Ages (from 500 AD to 1600 AD), Christians who would not recant their beliefs in the Textus Receptus (the scripture from which the King James Version was translated) were hideously tortured and murdered tolling over 50,000,000 martyrs. *And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death (Revelation 12:11).*

Although the catholic church remains a world power, the KJV has always been preserved and with it God's precious saint—the born again believer. To be *born again* is to have Jesus as your savior assuring you heaven after you die. This is the major doctrinal difference between God's people and other major religions. The reason we need a savior is because we are all sinners (Romans 3:23). Sin is the reason we die (Romans 6:23a), and after death we will go to hell because God will not allow sin into heaven (Revelation 20:15). Yet the blood that Jesus shed on the cross washes away all of our sin, and all we need to do is call upon him: *For whosoever shall call upon the name of the Lord shall be saved (Romans 10:13).* You may say the prayer on the reverse of this pamphlet, believing it in your heart, so that you may know for sure you will go to heaven. Jesus and the martyrs loved you that much.
