The Grand Cross Investiture and Mystic Feast have been moved to November to be closer to the obligatory day of November 15th. It is hoped that more Masters of the Grand Cross will attend the ceremonies and welcome our newest Masters. This invitation is extended so that each Grand Cross group and individual Masters can let other Masters of the Grand Cross know of the event and extend the invitation to attend and participate in this first November Mystic Feast. Please remember to bring your Grand Cross card or if you are a designate, please bring the card you received from Supreme Assembly.
