Remember to pray for our President, Kristi Key and her family. She has a new grandson! Matthew Knox Arnold was born on Feb 13. Kristi has been very busy helping her daughter Nancy since Matthew was born.

### From our First Vice President

Enlistment is the action of joining someone into a group. All the WMA groups I know wish they had more ladies and wonder how to get those ladies involved.

Think of the reasons you enjoy your WMA group. Is it the fellowship? The discipleship? Missions work? Bible study? Outreach? Prayer time? Sharing life with these ladies? Look around you and find another woman who has a common interest in this attribute of WMA and invite her to join your group.

The days are gone when we can issue a general announcement and get new ladies to attend our meetings. These days ladies are looking for the personal touch. And no matter what size your group, if every lady would pray and seek out one new lady, your number would double.

### From your Project Selection Committee

Ladies, please be thinking of new project ideas. I know it seems like a long while away before its time to choose another one, but it times tends to slip away unnoticed! If you have any questions about making a nomination for next years project, please feel free to contact me.

# BIBLES FOR TEXAS MISSIONS

## CHALLENGE

Please help the Texas WMA provide Bibles and other materials for Texas Church Planters to use as they reach the lost for Christ. God's word in preached and written word is our most valuable tool to reach the lost. Our goal is \$15000 and I am challenging each WMA/Women's Ministry member and church member across Texas to donate a minimum of \$20.00 for this project. I truly believe God will bless us over and above this goal and with salvations across the state. **ARE YOU UP FOR THE CHALENGE?** 

Please send offerings to TEXAS WMA 413 Junell St, Sulphur Springs, TX 75482

To date we have only raised \$1181 for our project so we have a long way to go. If I can be of any help, please feel free to contact me.

### TEXAS Women's Retreat 2023

August 25-26, 2023

Cornerstone Baptist Church, Jacksonville, TX

How do we taste the goodness of God?

Delicious food is something everyone can agree upon. There are so many variations of flavors and textures. It's been said that the one thing that separates every culture from each other is not the type of food each one identifies with but the seasoning that makes it special and most enjoyable.

The same can be said when it comes to knowing you can trust in the goodness of God. Take for example your favorite meal of choice. There is a unique experience that takes place within each of us during this time of feasting that brings a sense of enjoyment and joy that never fades. Many times we strive to improve on these flavors with great success, while other times it does not turn out as hoped. But the key is we never give up until we are satisfied. Then we want to share it with our family and friends so they can experience the same kind of joy for themselves.

when David wrote this part of the Psalms he was so impressed by the joy and confidence he had discovered from placing his trust in God's promises. His outlook on life completely changed and he desired to share this good news with anyone who would listen.

We too can have this joy and confidence for ourselves today, but it only comes from placing our trust in his son Jesus Christ for our salvation.

Do not miss out on this opportunity to taste for yourself the goodness of God and experience the joy only he can bring in the midst of any circumstance!
