

Canine or feline behaviour consultations (see Key Facts - Part 1 for criteria):

- £240 for one-off initial 3 hour in-person consultation
(Potentially followed up by further sessions if you wish, booked singly, or as a package - see below).
- Or: Initial 4.5 hour package* = £310.**
This includes:
 - A ~0.75 hour pre-consult 'phone/Skype appointment* (to triage and put first aid measures in place to help you ASAP).
 - A ~2.5 hour in-person consultation (usually at you home, but maybe at my local hired venue +/- at the vets/other location).
 - A ~1.25 follow-up appointment (either in person, on location, or by 'phone/Skype to provide help, support, progress your learning +/- trouble-shoot).
- Subsequent follow-up lessons = £90/1.25-hour lesson** (if paid for individually).
 - Four+ follow-up lessons booked and paid for at the same time = 10% discount.**

(All fees exclude expenses - mileage, venue hire and 'phone expenses are additional[†])

** Booking an initial package allows us to best address your concerns, providing continuity and support for you at the start*

Training/behaviour management assessment/lessons for dogs or cats (see Key Facts - Part 1 for criteria):
