If you cannot host your meeting as scheduled, it is your responsibility to get someone to switch with.

Please let Joanne Seiler know at least **2 months** before your scheduled month that **YOU WILL BE HOSTING** the meeting and give the date/time/etc.

President's Message

Welcome to Spring. We are off to a good start, the last two meetings have been very well attended. We are now looking forward to a repeat with extras for our Spring cruise. We are going to Branch Brook Park for the Cherry blossoms and the Cathedral Basilica of the Sacred Heart, both to include guides. Then off to McLoone's for lunch. Mike Perrilo has put in a lot of work to make this a success. Also in April is one of our favorite stops, Harold's Deli in Edison, come hungry!

There has been a lot of talk in CTCI concerning an upcoming vote to include Retro Birds into CTCI. I will offer my opinion, but please vote as you feel. Many people on the surface are saying, sure let them in, it will increase the membership, but there is a lot more to it than that. The only similarities between the Retro's and the Classics is they are both 2 seaters. My feeling is there is little proof admitting the Retro will increase membership. Many CTCI members already own a Retro, quite a few members I have spoken to will drop their membership if they are included, and there is at least 2 other major Thunderbird clubs that have a large amount of Retro owners. I believe the cost to make the Retros even in judging and documents, books, etc. could be a losing endeavor. Lastly, anyone with a love of the "Baby" birds can belong to CTCI and can enjoy all that CTCI has to offer, except for Concours judging. So please do some homework before voting. Also if you think the award banquettes are long now, just imagine what that would be like, not to mention the size of the Early Bird magazine.

OK, I got that off my chest, now just go and enjoy the 2019 car season

Stay healthy, drive carefully, and be happy you drive one of the best Automotive classics on the road

Pat LeStrange

March Meeting

The meeting was held at a new venue this month. It was a nice sunny Spring day and some lil Birds came out to play. The meeting was well attended. The food was good - Bill had homemade carrot cake, cheese cake, a sinfully rich chocolate cake and cookies shaped like little Tbirds for dessert. Always nice to get together. Many thanks to Martha and Bill for hosting.

Highlights of the Business Meeting

The minutes from the last meeting were read and approved as well a financial report given by Pat..

Joanne gave a summary of what changes have to be made and costs for the inclusion of Retro Birds into CTCI .

Mike Perillo went over the plans for the Spring Cruise taking place on April 28th.

Joanne said that Rich Martin has been appointed CTCI Tech Advisor on 56 Birds.

Toni and Joanne mentioned that CTCI will be sending out E-ballots for the Retro Bird issue. Joanne requested that members who wanted to comment on this issue to send them to her.

Joanne mentioned that there are a few members that have not sent in their dues. Toni mentioned that Harold's is on schedule and members must notify her by 3/31 if they are going.

Bill Downing mentioned a show in Mt Tabor celebrating Mt Tabor's 150th anniversary.

Martha won the 50/50 and Joe Kubat won the TBird glass block donated by Bill Downing.

Next meeting 4/14 in Lyndhurst

Join CTCI now if you haven't yet. The Early Bird magazine alone is worth the dues

April 26th

Vice President's Message

Happy Spring everyone. Sorry I missed the meeting. Heard we had a big turnout. That's great. Heard food was good and desserts were delicious, of course, baked by our very own baker, Bill Downing. Bill and Martha sent me a piece of carrot cake, so good. Thank you Bill and Martha for hosting the meeting.

I have not heard any report on Wendy this month. Hope that she is still improving. Joanne suffered a big drop in blood pressure last week, gave us a scare, but you know Joanne, she fought back and is fine. Are prayers are with you.

Harold's Deli is April 7th, please tell Toni if you are going. She has to make reservations. Mike Perillo is putting together a Spring Cruise on April 28th. We are meeting at Delizias in Boonton at 8:30. We will travel to the Basilica and have a tour guide taking us through the Basilica. (If you have never seen the Cathedral you will be amazed how beautiful it is). We will then drive through Branch Brook Park to hopefully see the cherry blossoms and then travel to McLoone's for lunch. Sounds like a great tour. Thanks Mike.

Bill Downing mentioned that on June 1st Mt Tabor is having a car show honoring their 150th birthday.

Before you know it the CTCI Convention in Flagstaff Az. will be here. Hope everyone made their reservations by now.

Our next meeting will be held at the Courtyard Marriott, Lyndhurst, April 14th, hosted by Diane and Gene Szura.

Now that Spring is here, we can start to get our little birds back on the open road.

See you soon, Arlene

Tech Tip Door Locks

Try this one on your Bird. Lock your door from the outside and then push hard a number of times on the outside button. Some of you will find tthe inside button will slowly work its way up.

It is easy to over tighten the inside buttons and to do so may allow the situation above.

The Birds came from the factory this way.

The problem is that when the button is screwed onto the shaft too far it limits available downward travel of the shaft. The result is that the lock mechanism inside the door latch assembly is not able to engage fully.

The good news is that the fix is simple. Just unscrew the inside button a few turns to allow for more travel
