

# CAPABILITY STATEMENT

## COMPANY OVERVIEW

**OVS General Contracting & Construction**, founded in 2020, is quickly becoming a **leading provider of concrete/asphalt work for municipal, commercial, and residential projects.**

Our mission is to be recognized for our **reliability** and our **dedication** to become an industry leader in concrete flatwork and asphalt paving in the construction industry.

**Concrete formwork installation, concrete placement and finishing**, and **asphalt paving** are our key strengths, with primary focus in the heavy civil and commercial markets.
