

RESIDENTS OF UPLAND AND SAN ANTONIO HEIGHTS Help us Defeat LAFCO 3216

Please take a moment to look over the important information that residents of City of Upland and San Antonio Heights have mailed or left at your homes. This information is regarding LAFCO and the San Bernardino County Fire Department Annexation of Upland and San Antonio Heights into a new Fire Tax Zone FP-5. This Protest effort is NOT about Upland, SAH or your fire service or our firefighters.

This Protest Vote is about
TAXATION WITHOUT REPRESENTATION,
UNCONSTITUTIONAL and UNAMERICAN!

This protest vote, if passed, WILL GIVE the TAXPAYERS of Upland and SAH the **RIGHT TO VOTE** on the fire annexation and this New \$152.83 a year, per parcel of land property tax. This tax can be increased up to 3% per year FOREVER!

Don't be intimidated by the City of Upland Fire Department's Union Representative's Propaganda in the newspapers. If you believe them, we are all Doomed! This is not what the Protest Vote is about. It's about exercising our **Constitutional right to vote on matters that impact our community and lives.**

If the Protest Vote passes by 25.01%, this will give **YOU, the Taxpayer, the Right to an Actual Vote** with an opportunity to receive ALL the information to make an informed decision. This is how **AMERICA IS SUPPOSED TO WORK!**

Thank you for your time and please let your conscience be your guide.
