It's That Time of Year Again!

As you know, the school participates in the government funded food program. As a participant, we must ask our parents to complete the Food program form each year. This form is very important because it determines the rate of reimbursement we receive for each child for each meal.

The forms are lime green this year and have been placed into your child's cubby.

Please complete these forms and return them back to your child's teacher or the front desk by **Monday, July 8th.**

God our Father, you have blessed us with the gift of children; thank you for these precious gems that adorn our school. Their laughter gives us joy and brightens our lives. They are the expressions of your presence in our school. Their growth shows the mysteries of your love.

May they experience your loving presence, advance in wisdom and grow in your love. Our children's future is in your hand, and yet we have our own role to play in shaping that future. Help us to be true to our responsibility so that we may assist them in responding to your graces and thus to become what you want them to be.
