We Golf at the following courses:

Aspen Lakes is a privately owned, public golf course in Sisters, OR, about 30 minutes from downtown Bend. Featuring unique red sand bunkers, world-class staff & customer service and Central Oregon's most scenic views Aspen Lakes is a must play for every visiting golfer! Aspen Lakes is truly one of the most spectacular courses in Oregon from a scenery standpoint. The course is always meticulously groomed, but the most distinctive feature, of course, is the red "sand" traps. Yes, Aspen Lakes is that course. There are pictures of Aspen Lakes that don't even look real; it can be that stunning. But for all that, we think it's the mountains that make Aspen Lakes. Architect William Overdorf designed Aspen Lakes so that one of Central Oregon's signature mountain peaks is in the background of virtually every hole — Mt. Bachelor, Broken Top, the Three Sisters and others. Lush green fairways, red sand traps and snow-capped mountains make for an astounding visual combination.

Eagle Crest Resort's Ridge Course meanders through an ancient Juniper Forest with gorgeous views of the Cascade Mountains and the top of Smith Rock State Park. Known as a "driver's dream" this championship course has ample landing areas and a series of tremendous risk and reward holes to test golfers of every ability. The Ridge course is a must-play. Its challenging layout, stunning views, and overall quality make it a standout among the many golf courses in the area. Previous host to the 2006 & 2023 Oregon Open.

Brasada Canyons Golf Course is an 18-hole, private course designed by Jim Hardy and native Oregonian Peter Jacobsen located at the resort community of Brasada Ranch. Available for play to members and resort guests only, our Sun and Fun Members have received special permission to play Brasada Canyons. The course winds through the canyons of The Ranch, rising from 3,272 to just over 4,000 feet above sea level along the way. With the best views in Central Oregon, no two holes run parallel. The course features five sets of tees ranging from 4,722 to 7,295 yards. Our participants are in for a real treat playing this course!

Pronghorn Golf Club is part of a high-end residential community that features 36 holes of championship golf. The club has Tom Fazio (private) and Jack Nicklaus (public) signature designed courses. We play the Nicklaus Course which is surrounded by magnificent views of the Cascade Mountains, this nationally acclaimed Pronghorn course has emerged as a bucket-list destination for golfers of all levels. The award-winning course design, relentlessly sunny weather and natural beauty of Bend transform every round into an experience to boast about. The Nicklaus Course at Pronghorn plays firm and fast and accommodates golfers of every skill level. This 18-hole championship course provides a minimalist experience with an emphasis on the golf game itself—combining strategy with playability, beautiful transitions and true putting surfaces. Lava rock ridges and outcroppings intertwine with ancient juniper trees, reddish brown lava outcroppings, and stunning scenic vistas of the snowcapped Cascade Mountains. Golf magazine has it ranked 95 for the Best 100 you can play 2024/25.

**SIGHTSEEING INCLUDES VISITS TO THE HIGH DESERT MUSEUM AND DESCHUTES
BREWERY TOUR & TASTING.**

The High Desert Museum is a one-of-a kind Museum reveals the nature of things in the West's High Desert through artful exhibits, alluring animals, engaging programs and meaningful history. Otters, porcupines, owls, oh my! Encounter wildlife up close, explore the history and culture of this vast region and take in beautiful art. Get a close-up view of native wildlife, such as an otter, burrowing owl, porcupine and gray fox. Visit an authentic ranch and sawmill from 1904. In the summer, experience a close flying encounter with owls, falcons, hawks and even a vulture. Learn about Native American culture and history and delight your children with one of many fun, hands-on programs that bring history and science to life. We will enjoy a guided brewery tour starting from their Tasting Room, so that should be fun!
