

Harmonic Healings via Light Language

Harmonic Healings via Light Language is a **4 Series Energy Experience**.

Each **Harmonic Healing** will be focused on the **Body, Mind, Spirit and Emotions**.

Dealing with emotional energy is very draining and can begin to create minor to major deficits throughout the entire **Embodiments System**, if left unattended.

Each **Harmonic Healing Intonement** will reach deep into the cellular makeup in the assistance to help **Heal, Reset and Repair** impaired cells at the core-center of the issue at hand.

Each **Harmonic Healing mp4 Audio-Activation** is approximately **25-40 minutes** in length, and will be **sent via email upon registration**.

Sometimes literal words can distract one from allowing the body to heal. **Listening to the Light Language Harmonic Healings** allows the receiver to tune in without the distractions of literal WORDS, therefore allowing the **Light-Energy** to move within freely without distractions, that can bring a deep attentiveness to the issues, and can alter the physiology of the embodiment.

Harmonic Healings take on a vibrational resonance and healing frequency that promotes wellness.

Everything living is in a state of vibrational harmonic resonance. The Universe was created from frequency and **Patterns of Perfection** through **Ebb and Flow**, and is an **Ever-Expanding Energy Experience**. **Harmonic Healings** provide **Synergistic Light Waves** that can **alter blockages and hardened cells** within our makeup, thus producing **New pathways for New Light Energy to Enter** within and Heal . . . it's all about the **Frequency**.

Being **Open and Receptive to Receive is the Key**. Pulsing the needed frequency into an embodiment's energy field, will also begin to tap into a divine blueprint, so that when it is interconnected, the embodiment can be brought back into **Harmony and in a State of Bliss**.
