DESCRIPTION: Great looking and performing high-end Wing target bow from the Wing Slim Line collection. recurve. This bow is in excellent original condition. Comfortable grip. Factory installed stabilizer insert as well as plunger bushing. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decals are in very good shape. There was a place on the limb where there were likely some stickers that were removed and left a more white color as the rest of the limb had "yellowed" over time (see pic on last page). This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot. Comes with a new string.
