

PacWest Pastor's Conference

ATTRACTING & KEEPING NEW VISITORS

**A practical way to get people to your church
and keep them**

Speaker – Pastor Tony Atkinson

Pastor Tony has a heart for the small church. Pastor Tony has planted several churches in the Ohio area where he grew an entire IPHC Conference known as the Ephesians 4 Network. Several years ago, he went to Richmond, Virginia and took an old declining church with about 100 members and has grown it to over 1200. This is a speaker you do not want to miss if you feel stuck or if you have run out of ideas and strategies to reach people. This conference you do not want to miss. Bring a couple of key leaders with you.
