Thanks to most of our tenants who were prepared for our annual inspections. Unfortunately, I did have to perform several follow up housekeeping inspections. Other issues that we found that could have been prevented were:

.Blocked access to breaker box. Windows blocked. Gas cans in apartment and storage shed. Holes in siding, doors, and walls. Smoke detectors not working or missing. Broken outlet switches. Bugs. Call for aid cord tied up. Faucet leaking. Excessive pets. Gaffiti. Broken frame on door. Leaking hot water tanks. Loose cabinet doors.

Have terminated one lease for visitation violation.
