DESCRIPTION: High quality great looking and performing Howatt hunting bow. This bow is in exceptional overall condition. There is a 2" patch of light very faint crazing (horizontal lines in the varnish—see pic on last page).

Also, there are two filled sight screw holes that are barely visible (see middle pic on p. 5). Bow has no delamination; no cracks; limbs are straight. Double-sided overlay tips. Overlays and tips are in great condition. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in minty condition for its age.
