Dear Mayfield Members,

The safety and health of our members is our primary concern. This notice is to inform you of two cases of COVID-19 identified in connection with the Mayfield in-person worship service. Upon receiving this information, the Pastor and Board of Directors voted to postpone the in-person services until after Sunday, February 7, 2021. Resumption of the in-person worship service will be announced as safety permits.

A process has begun to notify all attendees at the Sunday, January 24, 2021 service who had close contact with a person with COVID-19.

Let us pray for one another and stop the spread of COVID-19 by following Texas Department of State Health Services recommendations:

- * Wash hands often for 20 seconds
- * Cover cough
- * Wear face mask in public settings
- * Avoid touching eyes, nose, mouth with unwashed hands
- * Disinfect surfaces
- * Avoid close contact with sick people
- * Practice social distancing
