

# “Better Together”

## Join Lee Elementary School PTA today!

Now more than ever before, PTA is here for you and now is the time to join! We know families and students are facing challenges that were never anticipated and your Lee PTA provides an excellent method of communication during uncertain times. We are here to offer resources and support to parents, students, teachers, and staff which will help keep everyone connected.

By joining the Lee PTA you get to attend virtual meetings and have a voice as to what happens at your school. We all know that the schools are facing large budget cuts, so we are counting on your membership, as well as any generous additional contributions you choose to make. We realize this is a difficult time for many families so any amount is appreciated. We have prizes at the \$25, \$50 and \$100 donation level, see link for details.

Membership this year is \$10 per person and you can register online at the following link:
