

Fur Baby Trees for shelter animals

This year the Randolph County Animal Shelter is doing two Angel Fur Baby Trees for the shelter animals. One tree is located at Small Town Bank in Wedowee, and the other tree is located at Wells Fargo Bank in Roa-

noke.

On the tree are pictures of the animals. People may choose the animal they want to sponsor and take the picture off of the tree (the picture is theirs to keep). Behind the picture is a card that

tells what the animal would want or need for Christmas. After buying the gift, donors can put the gift under the tree with the card attached to designate the animal or they can drop the gift off at the shelter.
