

WEATHER WEAPONS

WHY 'THEY' HIT THE LITHIUM MINES?

Hurricane Helene

'There's no greater Weapon in use Today than a Weather Bomb. In terms of Localized Damage and Far-Reaching Destruction, these are the most Powerful in the Arsenal of the Western Militaries. In Fact, this Type of Weaponry has been deployed over several Decades with Devastating Effects across the Planet. And yet, very few even know they have been the Victim of a Full-Scale Weather War or Geo-Terrorist Attack'.

-A Veteran Intelligence Analyst & Former U.S. Military Officer

Here is some Information that was passed to me that, based on what is presented, it appears that this Hurricane Helene was Geo-Engineered and/or Man-Manipulated. Geo-Weapons do exist. They started to be developed and implemented during the Vietnam War. Like the Train Derailments and the Food Processing Plants, this is a Prime Way to deplete Resources and Assets. And it hits the Red States with Devastation too boot. These Acts of Weather Warfare, Year-after-Year are easily blamed on 'Climate Change'.

Notice how all the Reporting is attributing the Strange Hurricane Phenomena to it. Here is one's Assessment, based on a few Years of Observation, casually on the subject of Lithium Deposits/Mines. It is based on the Trend and Projection of how the Electric Vehicle Boom has taken Center-Stage in the World. And it is how the Powers-that-Be want to ween-off Humanity from Fossil Fuel. What happened in the Carolinas and still more to come, of this Type of Action, is based on what the Globalists did in Bolivia and Northern Argentina.

A few Years back, what happened is that, as per the 'Usual Suspects', the Big World, Multinational Corporations of the West came in and bribed the Politicians and partnered with the Elite Ruling Families to take over all the Lithium Deposits in those Regions. They commandeered the Land of the Natives or the People that lived on top of the Lithium in the Land. And mind you, such Areas on Earth are extremely limited, so they are the 'New Oil and Gold Mines'.

For example, any Poor Family of the Alti-Plano Region of the Andes and Northern Argentina living and owning that part of the Land that the Lithium is found on would become Millionaires overnight. But this will not be allowed as the Poor are powerless to defend themselves against the Federal Governments that have the Military, the Police and the Courts in their Pocket, all paid for by the Corporations. It is about Limited Resources and the Control of them. And People, Humans are in the Way of the Globalists.

Climate Change?

Remember, the Luciferians see the excess of Humans as 'Useless Eaters' that have to be Culled, Controlled and Contaminated. This is precisely the same Game Plan of the Globalists that was used and what occurred in the Carolinas. It was about the use of a Weather Weapon to have enough Plausible Deniability, to blame it on 'Global Warming'. It was and is to Clear-Out the People from their Land. And in comparison, those areas affected in Georgia, Tennessee and the Carolinas. As it is, the Appalachians are far Poorer and Rural than most in the USA, etc.

They, like the People of Bolivia and Northern Argentina are now being subjected to Eminent Domain. It is a Federal Statute that excuses the Government to take any and all Possessions from Citizens: Land, Crops, Houses, Vehicles, Resources, etc. It is not that the Globalists have wiped-out or 'Attacked' the Lithium Mines. No, the Mines are still there and will be cleaned-up. It is the People on that Land that were Attacked and are not being Cleaned-Up. The Reason the Federal Government does not even want to collect the Bodies is so that they cannot report a Body Count.

It is then that the Big Mining Corporations will come in, unhindered by any Protests from the Locals for contaminating the Environment or benefiting from the Revenue it will generate in the Billions. Imagine each Family living near or on top of such Mines or Land that has Lithium? They too, like the Common Poor People of Bolivia and Northern Argentina would be Millionaires overnight. And the Revenue from Taxes would transform their Region, City and Community to a very Wealthy one. But that is not being allowed. It never has been. Here below is a Post declaring what is really happening in the Carolinas and why. Emphasis and Edits added.

This evening, from a Peak Prosperity member to me via PM at my site:

Them: *I can't post this online because it's not quite public yet, but government officials had a town meeting with all of the residents of chimney rock and basically told them the town was being bulldozed, bodies and all and the land was being seized by the federal government they would not be able to move back and basically their homes the ones that were standing were no longer theirs and the federal government owned it all.*

I don't know what crazy play for land this is, but there's a lot of conspiracy about lithium mines and let me just tell you, as someone who lives in Charlotte and has friends who live in the area of Western North Carolina, they are not being helped and this is actually being a stand down operation by federal government.

Me: *What the heck...? That's quite disturbing. Is this first-hand, second-hand, or more distant info?*

Them: *Our friend owns an Airbnb in Chimney Rock. They had a town meeting yesterday and someone from the federal government told them all of those things in the town meeting but doesn't want the information getting out. Also, they are not picking up the bodies. The stench of the bodies everywhere is insane and for some reason, the government does not want to pick up the bodies.*

One pastor of a local church was going door to door delivering water and they changed their delivery request to body bags because so many of the homes that they've gone to have needed body bags, we're trying to keep the body count. They're not picking up the bodies. They don't wanna identify the bodies and they're just leaving them to rot in the streets.

Me: *I...can't...even. I'm stunned. This is beyond anything I could have imagined even very recently. You always pick up and bury the dead. It's what humans do. They are violating every possible custom ... on purpose. Thank you for keeping me informed. People need to know about this. Let me know when you'd be comfortable with me posting to our forums in an anonymous fashion, of course.*

Them: *You can post it if the message needs to get out. Something evil is going on in the NC mountains. I just didn't want to be identified. Just today we filled up a trailer for a shelter in Hendersonville NC that had no food for tons of moms and babies. All the stores are empty or locked. In Chandler, NC, 2000 people haven't eaten anything or drank in 6 days and just got an SOS message out for help.*

I'm trying to tag the Cajun navy and operation airdrop but people are dying by the minute. Multiple tuckers have reported having tires slashed. Our friends from Chimney Rock said they have heard multiple stories of people being robbed at gunpoint making supply runs. Two people that drove down to Charlotte yesterday and today one that we helped said bodies in trees, all over ditches in major roads back. Something weird is going on here in NC.

Me: *God bless you. Let me know if I can help.*

Them: *Someone with a large national megaphone needs to amplify how bad it is. People are now starting to die trapped. My town is Operation Air Drop NC central command. They need pilots with planes and now are asking just for trucks.*

People with big equipment are needed but more than anything the nation needs to put pressure on Washington to deploy the National Guard asap. The 82nd was begging to go since Saturday but has been told to stand down. Every fucking Apache we have should be flying rescue missions. Please amplify the message!!!

The following is a short YouTube Video by Dane Wigington, the Author of the Website, <https://www.geoengineeringwatch.org>. He is the one that has chronicled the Chem-Trail Phenomenon when the U.S. Government had been denying it all along. Most People still deny it is a Fact and are in Denial about it. According to his Assessment, the above Video provides Incontrovertible Evidence of Weather Warfare being deployed in Hurricane Helene. The following are Articles that also delve into this Assertion that the Hurricane was Man-Manipulated.

It is a case of a deliberate and painful Slow Federal Government Response. It was compounded by threats of Arrest from the Local Fire Chief, Dustin Waycaster and Chris Melton, Assistant Fire Chief of those attempting to rescue People in their own Private Helicopters, for example. This is not a Joke. See Video of this unbelievable arrogance.

It is about the overwhelming sense of Abandonment as FEMA had excused itself of 'Running out of Money' while the Federal Government has been transferring Billions of Dollars from U.S. Citizens to the Ukraine and Housing, Feeding and Educating, Free-of-Charge Illegal Aliens who have broken the Law to enter the USA as the Taxpayer's Expense. Welcome to the the New USA.

And that is why one chose that Title for the Information one is providing pertaining to the coming 'Zero Hour' USA.

RISE OF THE SPIRIT OF BAPHOMET

Transitions of the Last Generation

The purpose of this Book is to ascertain several Factors of how the Spirit of Baphomet has risen in the World and in the USA in particular; of what does it look like and what that means Prophetically. It is a Spirit of Perversion that has reversed and undermined all Human Moral Institutions, Ethics and Values. It has been a 'Spell' to introduce a 'New Morality' based on redefinitions in preparation for the New Order. This Spirit of Transformation or 'Reset' is one of an Orchestrated Upheaval and 'Controlled Demolition'.
