

## OCFS REGION 2 - ROCHESTER - 2018

\* Most providers do not offer non-traditional hours (evening, weekend, and overnight).

*"While child care shortages for infants and toddlers exist everywhere, they are especially pronounced in rural areas and counties with lower median family incomes. There are nine children under 3 for every child care slot in completely rural counties, compared with five per slot in mostly urban counties."*  
- Center for American Progress, Oct 2018 report: *Understanding Infant & Toddler Child Care Deserts*

**40**  
homeless / in-shelter families  
received referrals
